Dear Chairman Genachowski:

By this letter I am concurring in Ranking Member Waxman's request for the extension of the detail of Mr. Jeff Cohen, Sr. Legal Counsel, Public Safety and Homeland Security Bureau, to the Democratic staff of the House Energy and Commerce Committee for a non-reimbursable assignment. During his time at the Committee, Mr. Cohen has worked in the Committee's Democratic offices to provide perspective and support in the execution of the Committee's communications and technology functions.

I ask that the detail arrangement, not to exceed one year, be extended from October 25, 2011, to October 24, 2012, and continue on a non-reimbursable basis for the detailee's salary. The FCC will be reimbursed from the Committee's budget for any travel expenses incurred by Mr. Cohen related to his assignment on the Committee. I hope that Mr. Cohen may continue his assignment without interruption once this exchange of letters and authorization by the Committee on House Administration are completed.

Your prompt consideration of this request for a detail assignment would be appreciated. Should you have any questions, please contact me or Ms. Linda Walker on my staff at (202) 225-2927.

Sincerely,

Fred Upton
